### Introduction

The COVID-19 pandemic provides opportunity to practice self-mastery by expanding our visions, awakening the faculties of our minds and our hearts, and assuming full responsibility for living, growing, and contributing in new ways. As we master our own emotions and mental well-being under pressure, we can enhance our ability to lead others, acting as a role model and someone others would truly wish to follow by demonstrating sound virtual leadership.

Through this GLOMACS Leadership, Communications & Interpersonal Skills online training course, you will learn a great deal about yourself – how you think and respond to radical change, how you perceive the world and how others perceive you through online systems, how you can enrich your virtual communication skills - and through that process you will learn how to lead others with great skill and confidence.
